ANY OTHER BUSINESS

FoLS are still without a deputy chairperson. Anybody who is interested in taking on this role should contact a member of FOLS.

Our easyfundraising page above has, as it currently stands, raised just over £10 for Friends of Leavening School.

SK suggested a more prominent link/button from the home page on the school website which may help to remind parents as well as making it more straightforward and quicker/easier to use (with fewer clicks).

SK to create a 'reminder email' to be sent out to parents requesting them to use this site whenever possible prior to shopping online. When they make an online purchase this way, it will make a donation to FOLS at no extra cost to them.
