Seeing is Believing Picnic Lunch—22nd

May

As part of our Seeing is Believing day on 22nd May where everyone (parents, relatives, friends) is welcome to join their child in school for all or any part of the day to see what we get up to, we will also be having a picnic lunch. Hopefully this will be sitting in the sunshine in the yard!

We will be serving sandwiches, pizzas, sausage rolls and vegetable sticks with fruit and crispy cakes for dessert.

Morning Mile

Apologies for the confusion regarding this initiative so far and thank you for the parents who helped out last week. Mr Clarke will be continuing with this every Friday morning.

Can I please remind you that any children and parents who wish to join us on our morning mile **MUST MEET IN THE SCHOOL YARD, NOT ON THE FIELD** so everyone (including bus children) can go over together and so children are not left alone on the field should it have to be cancelled for any reason. It is not compulsory but we would encourage all children to take part.

Volunteers

Thank you to those parents who have volunteered to help in school. This is very much appreciated. If you have a spare hour or two and haven't yet volunteered, please do - we can never have enough extra pairs of hands!

Leavening Secret Gardens

Sunday 11th June 1pm—6pm.

Admission £5.00

Accompanied children under 16 FREE

In aid of Leavening Churches

Maps, refreshments and children's craft table at Methodist Schoolrooms.

Oak Trees Poetry

Well done to Oak Trees children who entered a creative writing competition and are having their poems published in a Young Writers Anthology —look out for their photo in the Gazette in the next week or two.

ParentPay

Thank you to everyone who continues to check their ParentPay account on a regular basis. Please can I ask you all to check ParentPay regularly and clear any debts as soon as possible. School lunches must be paid for in advance.

Water Bottles

Now that the weather seems to be warming up, please can you ensure children have a water bottle in school? Please make sure they are taken home and cleaned regularly.

Children should only be having water in their water bottles, not juice or squash.

Hats and sun cream may be needed soon too!

Our healthy child team from Pickering clinic have sent us some useful information regarding keeping children well and managing colds and flu. I have added these to our website - <http://www.leavening.n-yorks.sch.uk/parents/letters/>
