- Embedded growth mind-set and developing academic resilience within our pupils.
- Developed effective teaching and learning of phonics in Early Years Foundation Stage and Years 1 and 2.
- Involved pupils more in decision making processes.
- Placed a greater importance on the opinions of pupils in improving our school.
- Striving for excellence in the conduct and engagement of our pupils.
- Ensured writing tasks are purposeful and interesting, to ensure better progress.
- Created a balanced and creative curriculum that excites our pupils.
- Ensured rich opportunities for pupils to work at greater depth in Maths.

What are we developing in 2019-20?

- Developing pupils understanding of a range of vocabulary and inference to impact on the progress in reading and writing.
- Focus on reading for pleasure and ensuring the learning environments promote this.
- Ensure that pupil's written work is a result of a progressive build up and the right balance of editing.
- Ensure a more rigorous approach to the teaching of handwriting.
- To ensure outdoor areas are developed for EYFS, Year 1 and Year 2 and these offer high levels of engagement and challenge across the whole curriculum and rich opportunities for child led learning.
- Improve the teaching and learning of Science across the school ensuring investigation is meaningful and purposeful and in line with the quality of the rest of the curriculum.
- Continue to develop the teaching and learning approach to problem solving.
