

Conkers Homework

Spring 1

For our topic of 'Media Makers!' you can choose from the following list of activities to work on at home. Don't forget you can choose to complete any number of tasks (at least one) and present them in any way you want to.

Walk around your house and make a list of all the types of technology in each room.

What is it used for, e.g. to light up, play sound, wash items etc.?

Can you draw and describe each person who you live with and do the same for your best friend's family? Now compare what is similar and different about your two families?

What is your favourite TV programme? Why do you like it? What is your favourite film? Why do you like that? Draw a character from them both.

Can you list all the types of writing in your house?

⇒ Magazines

⇒ Newspapers

⇒ Internet

⇒ Letters

⇒ Emails

Can you collect examples of these different kinds of text?

Can you research your family tree of who is in your family, and present it however you like?

Can you paint a portrait of your family?

We look forward to sharing your homework in school. Please bring it in on Monday 10th February. We will hold a homework gallery in each class so the learning can be celebrated.
