Friday 1st April 2020

A WORD FROM MRS MITCHELL...

Hello. Another week passes by and I hope you are all well. I would like to say a few thank you's in this week's newsletter.

Firstly a big thank you to the staff team for all of the hard work they are putting in from home. Not only on the daily education for our pupils but the continued work on the curriculum design, school development and lots of intense online professional development. For many this is combined with their own home schooling and childcare.

A particular thank you to those members of staff who are going into school each week to ensure that it remains open to the children whose families absolutely require the care. A huge thank you to you parents for all the support you are showing the school and for engaging so well with the teachers- it is much appreciated.

A massive thank you to all the children who continue to be our main motivator during these challenging times. The thought of seeing you all again fills each of us with positivity. We are all really proud of each and every one of you.

Last but no means least, a thank you to the school Governors for your support and encouragement.

I thought I would make the children smile with a picture of what it looks like when Mrs Mitchell hides away in the loft office to do some work...

Look after yourselves and remember to send us pictures of what you have been up to so we can publish them in this newsletter each week.

Take care of each other

Sian Mitchell

Spreading the smile at Leavening!

Hello to you all, what amazing weather we've had so far! I hope you're all well and enjoying this time with your families. I'm missing seeing all the children and staff but I've been kept busy with my three boys. We're so lucky to live in such a beautiful area, we've been biking a few times (once I managed to work out how to fix Olly's bike seat on the back of mine!) We've grown sunflowers, Noah and Alfie decided we should give the spare ones away so they set up a table outside. We're trying to do the morning 'Joe Wicks' workout to start our days and loving the BBC bite size stuff. Hopefully see you all again soon. Love Mrs Jacques x

It's Jenny's 6th birthday tomorrow, she is looking forward to having some of her caterpillar cake! Xx

Hi All, hope everyone is ok during lockdown, I have been keeping busy by gardening and keeping my grandson busy with artwork. I'm getting quite a collection now-with another one through the letter box this morning! I've also had a go at clipping my tsi sui dog Pippa but I can't send a picture of her because I'm sure she would be embarrassed! ☐ Take care Linda x

Hi everyone. I have been keeping busy with lots of baking- bread, cinnamon buns, brownies, pizza, pies etc... bike rides with my youngest Robert, and giant

Hello to all our families! I'm missing all our little acorns, and hoping to see you all very soon! While we've all been away from school I've been doing lots of baking for my family & neighbours, and also lots of dog walking across all the local villages. I've also been doing some fundraising for some charities! Stay safe! Miss Marshall x

bubble making!
 Recipe for giant bubble mix:
 6 cups of water
 1/2 cup of cornflour
 1/2 cup of fairy
 1tbsp glycerine
 1tbsp of baking powder
 (you can also make it without the glycerine and baking powder but they help make it stronger).
 Make a giant bubble wand using two sticks and some string. Hope everyone is keeping safe.
 - Mrs Cogger

To all our little Acorns, I hope you are all having a blast at home. The nursery is a very quiet place without you all. I miss hearing you laughing and playing. I've been busy looking after Milly & Lottie my daughters and they have been teaching me lots of Tiktok dances. We've also been doing lots of Joe's daily workouts, cooking delicious food and taking my dogs Charlie and Belle on long walks. I'm missing you all very much and can't wait to see you all VERY soon. Lots of love Mrs Cuthbertson☐

Fantastic rainbow Harry!

One of the things Hattie has been doing whilst on lock down... (Well done Hattie!)

My 26 Challenge ☆☆☆
 I'm doing 26 Caribbeans in a row,
 and i'm also doing 26 back walk overs!
 Help Charities raise money!!
