

THE LATEST FROM LEAVENING

Friday 5th June 2020

A WORD FROM MRS MITCHELL...

This week we opened our school to more of our pupils. The majority of our children are still at home and we will be continuing to provide home learning, as we have been for the last 10 weeks, through our whole school topic of "Time Traveller."

As you know, we are open to pupils in nursery, reception, Year 1, Year 6 and children of key workers currently with a view to opening to all year groups when advised by the Government.

If you do wish for your child to return to school for the aforementioned year groups, then we would ask that you give us one weeks notice. This is to allow for safe planning to ensure the safety of all. I hope you are all well.

Have a lovely weekend.

Sian Mitchell

Half Term Adventures

Weren't we lucky with the amazing weather over half term? Me and my family spent lots of time exploring local woodlands that we never knew existed in and around York.

It was also my birthday and so I enjoyed a special "lockdown" birthday with my family including a tea party, freshly picked flowers and birthday cake.

Half Term Adventures - continued...

A message from Mrs Milson

"Here is Eva enjoying her paddling pool outside. We've spent so much time in the garden while it's been sunny, and Eva loves splashing in the bubbles and stacking her cups to make a tower, then knocking them down again! Every few days, we've also been going to feed the ducks and see the cygnets that have finally hatched, they are so cute and fluffy!

It was fantastic to speak to some of you from Conkers again this week. It sounds like you have enjoyed half term and have been outside and making different things. Hope you enjoyed my story this week 'The Selfish Crocodile', and I'm looking forward to some of you reading your stories to us next time! Missing you all lots, love Mrs Milson xx "

"I have been enjoying time in the sunshine and spending time with my children and all sorts of animals!"
- Mrs Peers x

"Hello lovely Leavening children, I hope everyone is keeping well. Just a few highlights from my half term. It was a busy one in the Peel household as my daughter turned 11 so we had a lockdown party for her which involved the pool out in the garden, a chocolate fountain, doughnuts and lots of music. We also visited a lovely nature reserve in Wigginton in half term and all the Rhododendrons were out it was so colourful, I highly recommend it!

Looking forward to seeing a few more children back at school. We are missing you all lots. Mrs Peel x "

"Hope everyone is doing ok. In the Kemp household, we made the most of the fantastic weather over half-term. We had lots of dog walks, barbecues and fun in the sun and , of course - cooling off with the hosepipe! See you soon, love Mrs Kemp x x "

Miss Marshall

Miss Hannah Marshall will be leaving us at the end of this academic year to take up a post at a school in York. Hannah has spent this year with us in the roles of Nursery Leader, Midday supervisor and After School Club Worker and made a positive contribution to our school. Hannah is a valued member of the school and wider community and will not be a stranger to us, that I am sure of. We would like to wish Hannah all the very best in her new venture.

Mrs Cuthbertson will continue to lead the nursery in September and I will keep you informed of staffing updates as I have them. Mrs Mitchell

Jenny, Sophia and Katie enjoying break-time at school this week!

Coronavirus Information

Please see the link below for more information about

[What parents and carers need to know about schools and other education settings during the coronavirus outbreak](#)

Please **RETURN HOME** if your child or anyone in your household has any of these symptoms:

New and continuous cough

High temperature

Loss or change in sense of taste or smell
