

THE LATEST FROM LEAVENING

Friday 12th June 2020

A WORD FROM MRS MITCHELL...

Hello to everyone

Today you will receive some important communication from me regarding consultation for our school to consider opening to more pupils for the last 4 weeks of the summer term.

Schools across the county all look very different at the moment in terms of how they are opening for some of their pupils. Currently here at Leavening, things are not vastly different to how they have been prior to half term. We feel very fortunate that we have all the space we have; both in school and in our outdoor learning capacity for very few pupils. This week, three of our pupils have shared with you their experiences of the first two weeks back at school.

Please take good care of yourself and stay in touch.

Best Wishes

Sian Mitchell

Last week, we welcomed a small number of Reception, Year 1 and Year 7 pupils back. Here are their experiences of being back at school...

Jenny - Year 1

"I was really looking forward to coming back to school. I have been doing learning but my favourite thing of all has been doing Forest Schools, playing vets and making potions in the mud kitchen."

Sophia - Reception

"I am happy to be back at school- especially happy to see my friends and teachers. We have done phonics, maths, art, PE, Forest Schools and playing. I like coming to school everyday. "

Katie - Year 6

"Last Monday I came back to school and I was really excited. I couldn't wait to meet my friends and talk to them again. Since I came back, it has been very different to how it would be without this pandemic because not many people are here, and we have to wash our hands a lot. Overall, coming back was a great choice and I've been so much happier. "

In other news...

Mrs Marshall has been extremely busy baking cakes, for Hannah and Tom to eat. As you can see, the coffee cake was a firm favourite with not much left - it didn't last long at all. The orange cake wasn't so popular but it still got eaten just not as quick!! x

Hello everybody! Missing everybody at school so much - It was a real treat to be teaching in the classroom again last week. I hope you are all keeping busy - the Stockill house is a hive of activity. Lots of school work continues to keep all of us busy, however, there is also much music making, DIY and fun too!

Here are my 3 lovely children posing to show off our newly scrubbed front path (it was very muddy) and then there is the project we have been working on - the summer house. It is now beautifully painted and the inside is all boarded out awaiting a lick of paint too. I hope you are all being helpful and also having lots of fun. Missing you all! Love Mrs Stockill x

Washing the cars that were kindly donated to school this week. Thank you Bobbie!

As we reopen to more pupils, we feel very lucky that we are able to offer our pupils an outdoor learning classroom and curriculum as much as possible.

Fantastic artwork by Hattie (Year 5) Well done!

Our pupils are enjoying Forest Schools each day and we find this is really benefiting their transition back to school.
