

# Conkers Reading Homework

## Spring 2

Can you read any books linked to our topic "A Country Life" exploring a range of texts that help us learn all about the adventures of the countryside. Below are some suggestions of books that you could share at home?

### Mini Authors

Can you have a go at writing an adventure story set in the countryside? Perhaps it could be in a similar style to the stories Beatrix Potter wrote.

### Imagine

Imagine you are an animal from a farm yard or a creature from the woodlands. Can you create a dance or song to share with the class?

### Artists

Can you choose your favourite character or animal from a story or non fiction book about the countryside and use water colours to paint a picture of them?

### Non-Fiction

Read a non fiction book about the countryside. Can you draw and label a picture of something that interests you. Perhaps it is farm yard machinery or a vehicle?

Please complete at least one and bring it into school on Monday 30th March.
