

IT'S OUR EMOTIONS AND IMPERFECTIONS THAT MAKE US HUMAN.

Intent

At Leavening, personal, social, health and economic (PSHE) education is an embedded part of our broad and balanced curriculum. Pupils' spiritual, moral, social and cultural (SMSC) development is at the heart of our school ethos. British Values are promoted through the overarching aims and objectives of PSHE by supporting our children to become healthy and responsible members of society, as well as preparing them for life and work in modern Britain.

What PSHE looks like at Leavening

Implementation

- We have a **clear and comprehensive scheme of work in line with the National Curriculum that is the PSHE Entitlement Framework**

The scheme of work includes 5 main themes which are: Me and My Relationship, Keeping myself safe, My Healthy Lifestyle, Me and My Future and Becoming an active citizen. Within this we cover areas:

-
- Substance Misuse
- Tobacco
- Risk Taking /Safety
- Diversity
- Emotional Health
- Coping Strategies
- Academic resilience
- Growth Mindset
- Healthy Eating
- Healthy relationships/bullying
- Puberty/Growing up
- Financial Education
- British Values
- Democracy
- Citizenship
- Physical Activity
- E-Safety
- Careers

The Scheme of work also includes opportunities to link British Values, SMSC and schools Key skills into the curriculum.

The curriculum starts in nursery in EYFS and follows the children through to Year 6. The distribution of the lessons complements key campaigns throughout the year

such as Anti-bullying Week but is also sequences so that it is taught regularly.

All learning activities allow opportunities for discussion and debate. Open learning activities provide an opportunity for students for pupils to develop their skills, knowledge and attitude. Never underestimate the impact of children debating or discussing- even practising using language or talking about feelings can help them develop key skills for the future.

- ***Wider Curriculum***

All subjects make a link to PSHE, BV, SMSC and the language is used consistently by all staff.

- ***Displays across school***

PSHE, BV and SMSC displays throughout school reinforce the PSHE curriculum enabling children to make links.

- ***Assemblies***

Whole school, Key Stage and class assemblies always make a link to PSHE, British Values and SMSC.

At Leavening we deliver the PSHE curriculum by utilising first hand experience and sharing good practice. However, we are aware that the delivered curriculum must reflect the needs of our pupils. We expect teachers to use a PSHE programme to equip pupils with a sound understanding of risk and with the knowledge and skills necessary to make safe and informed decisions. We believe that the purpose of PSHE education is to build, where appropriate, on the statutory guidance outlined in the Relationships Education, Relationships and Sex Education (RSE) and Health Education.

We believe that PSHE plays a vital part of primary education and as well as discrete focused lessons, it is also embedded throughout the curriculum. PSHE is integral to the development of children's values in order for them to become a positive citizen in a forever changing community. PSHE is an important part of school assemblies where children's spiritual, moral, social and cultural curiosity is stimulated, challenged and nurtured.

How we entwine PSHE with our Leavening school values underpinning our purpose of 'Together We Can'

Care, share and belong

Children will learn to respect people from different backgrounds

They will develop empathy and compassion for people through discussion.

Children will develop a mutual respect and tolerance for one another through collaboration and discussion. They will appreciate diversity and life beyond their community.

Look and learn beyond the classroom

Children have the opportunity to experience first-hand different communities and experiences of social diversity.

Aim high so everyone can shine

Children are encouraged to be the best citizens they can be. Pupils are given opportunities and experiences to develop their social and interpersonal skills to allow them to be prepared for the next stage in their education and life in modern Britain.

Learn with passion

Children are encouraged to develop a growth mindset and resilience in their attitude towards learning.
