

THE LATEST FROM LEAVENING

Thursday 7th May 2020

A WORD FROM MRS MITCHELL...

I hope many of you will be able to celebrate VE day in your own way on Friday and enjoy the bank holiday weekend with a promise of nicer weather (at present). How many of you have used this opportunity to have a huge clear out? If it is anything like us, we have 8 giant bags full, then would you be willing to save them until we return to school and support our huge bring and buy sale in aid of Yorkshire Air Ambulance and the NHS? Details to follow on return to school...

This week we have been planting vegetable and salad seeds in our house. I am happy to admit that I am no Monty Don and the birds ate all the seeds as I failed to cover them up. I will use that as a reminder to grow your vegetables for the village show in September (contact NancySpencer07@gmail.com for more details...)

We are delighted to be able to welcome 10 reception children to our school in September; the largest reception intake for a few years. Mrs Peers will be asking our older pupils to write to them to welcome them to our school family next week.

Meanwhile, for a bit of fun I would like to start a 'Mrs Mitchell challenges you to....' competition each week for our families. For the week commencing 11th May, I would like to challenge you to record your own lockdown dance routine (Tik Tok is popular as long as the OVER 12'S TAKE RESPONSIBILITY FOR IT) and email it to me or post it on our facebook page. The deadline will be Thursday 14th May at 6pm and we will announce the winner on the Friday in this newsletter. Then I will set a new challenge for families to have a go at. Any suggestions of fun and silly challenges are welcome. Again, please email me.

Have a nice weekend. To those of you who who are working throughout it, in whatever role you do, please stay safe and look after yourself. Also, thank you for all you do.

Best Wishes

Sian Mitchell

Spreading the smile at Leavening!

Rose walking her tortoise in the sunshine!

We would like to give a HUGE thank you to Miles Jackson (Katie's Dad) for being such a fantastic handyman for us.

He has been busy sorting out all kinds of jobs across school, for which we are all very grateful.

Miss Marshall certainly seemed to enjoy her cake in Acorns recently... along with Mrs Cuthbertson and Harry battling it out in a scooter race across the playground!

A request from Mrs Milson please for any donations of old teapots/pans/ jugs/wooden spoons/any wooden containers etc for our outside area... Thank you in advance!

Mrs Peel and Mrs Cuthbertson spreading some rainbow positivity at school this week...

Hi all! Hope everyone is doing ok. At 'Casa Kemp', we have been making the most of the brilliant weather (and the sunniest April on record!). Lenny the dog is enjoying lots of family walks around the village. I've been playing a bit of guitar and trying to brush up on my Spanish skills. In between school-work, my daughters Lily and Amy have been playing football, trampolining, doing chalk-drawings and cooling off in the garden during this lockdown! Look forward to seeing you all soon... Take care! Love Mrs Kemp x
