A WORD FROM MR ROBINSON, Chair of Governors

Hello everyone.

As directed by the government, the governors are meeting shortly to discuss how and when the school might reopen to all our children. This is exciting and daunting. We hope to find a way forward which includes everyone and is safe. Of course the school has never closed.

The governors want to send out their heartfelt thanks to all our staff and especially those members of staff who have provided direct care to our keyworkers' children. The dedication shown to our lovely school and its' children is heartwarming. All staff have carried on working. Curriculum planning has never stopped. Homeschooling tasks, telephone calls and even Zoom meetings continue, so too does professional development and online courses. The governors look forward to a bright future at our school and feel confident the school is in safe hands.

Anyone who wants to contribute is welcome. So much good can be done by planning and preparation and that is well underway led by Mrs Mitchell and her staff. Any good idea will be considered and adopted if practical.

Please stay well. When it is safe to do so I look forward to seeing you all again.

NATIONAL THANK A TEACHER DAY

Wednesday 20th May is National Thank A Teacher Day.

It will mark a moment when we, as a nation, can come together to say thank you to teachers across the country who are making a difference not only now during these unprecedented times, but every day of the year.

The Teaching Awards Trust are asking as many people as possible to share their message of thanks, ideally in a video clip leading up to the day. This will be in an expression of their choosing - singing a song/miming to a song of thanks to their teacher, writing and/or reciting a poem, or sharing a picture of a drawing.
