photographer in (Class groups &  
Leavers' photos)

**JULY**

**Thurs 1st** Year 5 Experience Day at  
Malton School

**Fri 2nd** Reports out to parents

## A message from Mrs Callaghan...

As I come towards the end of my time here at Leavening, I would like to take this opportunity to say a huge thank you to all the staff, children and families for making me so welcome and feel part of the Leavening family. Thank you also to the Governing Body for their support and encouragement. It has been a privilege to help lead the school during this most unusual of years! Leavening is fortunate to have wonderful children and a committed and passionate staff and I will be sad to leave such a lovely community at the end of this half term.

As always, my very best wishes to you all, now and in the future.

Mrs Callaghan

**Ampleforth College**  
will holding an  
**on-site Open Morning**  
**on Saturday 26th**  
**June.**

## LANDING EVENT FOR OUR TOPIC 'FALLEN FIELDS'

*This half term's topic of 'Fallen Fields' is proving to be very popular and engaging! As such, we would like to celebrate the end (landing) of this, on the first day back after half term: **Tuesday 8th June.***

For this event pupils in Conkers and Oak trees may come to school dressed in costume reminiscent of school children in World War One, if they wish.

Staff will be planning an inspiring and fun filled day of activities across the whole curriculum to celebrate.

As COVID has put halt on our previous launch and landing events linked with our curriculum, we are hoping this is the beginning of bringing the topics to life once again and capturing the children's interest and engagement in our specially designed curriculum.

Speaking of which, the topic after half term for Summer 2 will be 'Tomorrow's World' where there will be a particular focus on Diversity, Science and Technology.

More information will be sent in the class curriculum newsletters after half term.

Last week we sent a link out for parent views on our curriculum offer. I am currently reviewing our offer in line with pupil, staff and parent views and your feedback on this is very much valued.

Very best wishes,  
Sian Mitchell
