We are looking for a motivated, flexible and highly skilled Early Years Foundation Stage (EYFS) practitioner with experience in supporting children with communication and interaction, as well as social and emotional, differences.

- The role will involve supporting a child in their first year at nursery. You will work alongside the nursery lead practitioner and wider EYFS team in our small governor led nursery and will contribute to the quality of continuous provision in addition to SEN support.
- You will be able to foster excellent relationships with the child and their family; work closely with external professionals and advisors to ensure the child has the best and most successful start to their education possible.
- You will take ownership of support strategies and use your initiative and creative skills to ensure inclusive practice.
- You must be able to contribute to inspiring experiences for our children, whilst establishing a nurturing environment and encouraging bravery and curiosity in our children's development.
- You will excel in teamwork and help support the nursery as it grows into a truly fascinating setting for our children.

The successful candidate will become part of an energetic team, with high aspirations for the children in our care and will be able to contribute to our school purpose of 'Together We Can' contributing to the rapid improvement journey of our EYFS.

The successful candidate will need to fulfil all the minimum criteria within the job description.

We can offer you:

- The opportunity to be part of a hard-working and passionate wider staff team.
- A friendly and welcoming small school community.
- Fantastic children with a thirst for learning.
- A truly exceptional indoor and outdoor classroom environment.
- Excellent staff: child ratios to enable you to fulfil the role of facilitating individual children's learning journey through the EYFS

We would highly recommend that candidates visit our school website to get a full flavour of our nursery and school and if you feel comfortable, do arrange a visit to look around the school in the autumn term. Phone conversations would also be welcome. Please email the school to arrange a visit or telephone conversation.

Applications are to be emailed FAO Sian Mitchell
