

Blood, Bottoms and Burps: The Amazing Human Body!

We would like you to choose from the following list of what you would like to work on at home. Don't forget you can choose to complete any number of tasks (at least one) and present them in any way you want to.

<p>Find out more about one of the organs of the body. Can you create an 'information page about it?</p> <p>Purple Mash 2Do</p>	<p>Create a piece of art work that is based on the human body. It could be a painting, collage or sculpture for example.</p>	<p>In class we are finding out about the sculptor, Antony Gormley.</p> <p>Research another famous sculptor and present your information in any way you choose.</p>
<p>Maths this half term is all about number and place value.</p> <p>Can you find out some number facts about the human body. Can you think of a creative way to Present your facts?</p>	<p>Create a poster to persuade people to be more active.</p> <p>Purple Mash 2Do</p>	<p>Write a poem or song about the human body.</p> <p>Use this link to find a list of rhyming body parts!</p> <p>https://www.poetry4kids.com/lists/list-of-rhyming-body-parts/</p>
<p>Other Animals</p> <p>Find out about the anatomy (the body structure) of an animal of your choice. Can you draw and label the inside and outside of this creature?</p>	<p>Our DNA makes us who we are.</p> <p>Can you find out more about DNA then take the quiz on purple Mash.</p>	<p>Present a video on the effects of exercise on the body.</p>

We look forward to sharing your homework in school. Please bring it in on

Monday October 18th.
