

Conker's Homework for
'Heroes and Villains'
Autumn 2 2021

It would be fabulous if you could read some books linked to our topic 'Heroes and Villains' What can you discover about real-life superheroes? Can you think of a different ending to a story that you share? Who is your favourite character in the story and why? Below, are some suggestions of books that you might like to share at home:

Special Powers

Find out and write down what special powers the people in your family would like to have if they were superheroes! Alternatively, you could question your family and friends about their favourite superhero and present these findings in a tally chart/bar graph.

Designing

Design a costume for a new superhero/villain!

Junk modelling creation

Make a vehicle for a superhero/villain out of junk modelling materials. Remember to give it some special features and a name!

Wanted!

Make a wanted poster for a villain. It might be a villain you have read about in a book or comic or one that you have invented. You might like to design this using the computer.

Get Physical

Superheroes need to be super fit! Design an obstacle course or set challenges (such as star jumps, push-ups, lunges) for yourself and your family to do against the clock. Can you make a table of your results to show how many each person managed to do? Or you might like to perform a superhero dance. Think about how your superhero might move (e.g. quickly, slowly, spinning, weaving, leaping, dodging, flying, or climbing).

Get Creative

You might like to design and create a comic strip. Or you could sketch or paint someone that you think is a hero. You might also like to make a set of 'Top Trump' cards for heroes and villains, including their name, picture and strengths and weaknesses. Don't forget to include their scores and ratings too!

It would be super if you complete at least one activity and bring it into school on Monday 13th December, so that we can enjoy sharing these in class throughout the week. Any questions please do not hesitate to ask. Your continued support is greatly appreciated.
Many Thanks, Mrs Bedford and Mrs Bennett
