

## Spelling Curriculum Map

This curriculum map organises the compulsory spelling rules/patterns, in addition to the compulsory lists of words for pupils to learn across Key Stage 1 & 2, into half termly objectives.

The strands set out below are based on the linguistic principles of how words are built up from either sounds or morphemes (chunks of meaning). Some words in English do not follow either of these principles, so other spelling cues are needed to support children to learn them.

It is therefore vital that teachers build in 'how to learn a spelling', self-help lessons which can be based around spelling patterns or particular words with which a child or group of children are having difficulty. These lessons will build a repertoire of learning cues (see appendices) and give children time to reflect on misuses of spelling in writing. Displays within the learning environment, will also scaffold children's spelling development and support independence. These will include topic related vocabulary to support spelling is consistent across all subjects and therefore promoting high expectations.

## Literacy Writing Early Learning Goal:

- Write recognisable letters, most of which are correctly formed.
- · Spell words by identifying sounds in them and representing the sounds with a letter or letters.
- Write simple phrases and sentences that can be read by others.

## Spelling is taught through the phonics programme, Little Wandle Letters and Sounds Revised (2021)

The spelling expectations of the programme follow order of the GPCs taught which is outlined in the programme overview and included below. The spelling expectations are adventurous.

## Based on the expectations above, the main focus of teaching spelling in Year R is securing:

- 1. The understanding that words can be segmented into sounds.
- 2. The understanding that graphemes (letters or groups of letters) represent sounds.
- 3. The ability to hear rhymes and to hear syllables in words.
- 4. Good letter formation to build fluency in handwriting.
- 5. The understanding that some common exception & high frequency words are not phonetically plausible and are best learned through regular writing practice to build muscle memory and automaticity.

| Term | Strand   | Reception Following Little Wandle L&S Revised structure | Year 1 Following Little Wandle L&S Revised structure | Year 2  | Year 3   | Year 4                  | Year 5                    | Year 6           |  |
