

# Homework grid

Pick one of each colour! Each piece of homework has been chosen to support our learning in class! Make sure to hand in your homework by the 19th of October, so we can celebrate all the hard work you have done in class!

If you have any questions or need any supplies, let Miss Templeman know!

## Tell us all about you!

You could do this in a poster, a presentation, a labelled picture, a story, a video or anything else you can think of!

## Explain your favourite thing to do outside of school!

Imagine you are trying to tell an alien all about your favourite hobby, skill, talent or pass time! Can you help the alien understand?

## Write a Haiku poem about your favourite season!

Remember to follow the structure:  
5 syllables  
7 syllables  
5 syllables

## Window sketch!

Draw what you can see outside, through a window in your house!

Think about how your sketch may be different to someone who lives in a city.

## Compass challenge.

Write directions from the front door of your house to your fridge! Use north, south, east and west to create your directions.  
*For example: Take five steps north, then 3 steps west*

## Write a post card

Choose a place to write a post card from! It can be anywhere from Leavening to New York! Make sure to tell us what they can do in your chosen place!

## Word search

Complete the sound word search (ask Miss Templeman for one).

Can you remember what the key words mean?

## Show how we hear sound!

Get creative!  
Describe, draw and label, model, presentations, demonstration, explanation!

## Design a new musical instrument.

Think about...  
How will your instrument make sound!  
What type of sound will it make?  
Volume? Pitch?

Remember spelling and times table tests are on Fridays!

New spellings to practise are handed out on a Friday!
