

Conkers Class (KS1)

Homework Activities (Autumn 1)

'Inspiring Inventions'

Select from the following learning activities. Use the attached history Knowledge Organiser to support you with these tasks:

- ❖ Use suitable books and the internet to find the names and two facts about 3 different inventions. Remember to use capital letters and full stops to write the sentences in your best handwriting.
- ❖ Create a poster or mind map of information all about an inspiring inventor such as George Stephenson or Marie Curie.

- ❖ Create a picture of The Rocket using your own choice of medium e.g. paint, pencil crayons, crayons and chalk
- ❖ Write your own story about the amazing adventures you could have when travelling on The Rocket
- ❖ Create your own invention using natural or recycled materials

Select from the following learning activities. Use the attached Science Knowledge Organiser to support you with these tasks:

- ❖ Research a lizard, bird, amphibian or mammal of your choice, and then draw and colour them using paint, pencil crayons or chalk
- ❖ Write down at least 5 facts about an animal of your choice including if it has live young or lays eggs

Please bring your homework into class to share with us during the week commencing 6th November- we look forward to seeing it!
