• **An understanding of Equality, Human Rights and Protected Characteristics**

Overview of where protected characteristics are interwoven through our curriculum can be seen below.

- An appreciation that living under the rule of law protects individual citizens and is essential for their wellbeing and safety Understanding of democracy – modelling within school as part of our golden rules
- An understanding that the freedom to choose and hold other faiths and beliefs is protected in law Faiths taught through RE, and constant reminders during lessons that everyone's religion is to be respected and appreciated.
- An acceptance that other people having different faiths or beliefs to oneself (or having none) should be accepted and tolerated, and should not be the cause of prejudicial or discriminatory behaviour# Modelled and taught within RE lessons. Any prejudiced incident that takes place at Leavening Community Primary is seen as an opportunity to reflect, learn and make better choices next time.
- An understanding of the importance of identifying and combating discrimination Stereotyping and challenging these covered in Years 4, 5 and 6 during Jigsaw PHSE
- Parents taking an active part in identifying barriers and informing school leaders of actions that can be taken to eradicate these. Many opportunities for parent communication, through class do-jo, high staff presence on the playground each morning and afternoon, welcoming school office and end of day discussions. We have the highest expectations for all our children and staff, and the wider community. Our Home school agreement reflects our expectations.
