03 October 2023

Dear Parents/Carers

Re: Online safety meeting: Weds 4th Oct 3.30pm - 4.30pm
We strongly encourage you to attend.

We would like to remind everyone about the above meeting which will take place tomorrow.

PC Woodhouse will be detailing all of the key messages for parents and carers on latest online trends/apps and how to ensure your child is safe when online. This will compliment the work we do at school on e safety as part of our computing curriculum.

Can we politely ask you to confirm your attendance so we have an idea of numbers.

It is aimed at parents of all children from EYFS to Year 6. Recent pupil voice at Leavening school has demonstrated that:

64% of KS2 pupils say they spend 2 or more hours online each day

68% of KS2 pupils say that their parents do not speak to them about online safety at home

24% of KS2 pupils say they do not have any privacy settings on their device

Online safety is taught from EYFS and the pupils receive a good standard of online safety education at school through both the computing and PHSE curriculum. This session is designed to support parents in managing online safety at home and supporting online safety education. It is appropriate from EYFS and we would encourage all parents to visit.

Particularly PC Woodhouse will be discussing local and contextual issues for Ryedale and North Yorkshire which you will find useful.

Thank you for your support in such an important matter.

Kind regards

Sian Mitchell
