23 October 2023

Dear Parents and Carers,

Leavening's Got Talent

Next half term our topic is 'What a performance' and we will be launching this creative topic with our very own Leavening's got talent show on Friday 10th November.

We are inviting all of our children to enter this show if they wish, to celebrate the unique and diverse talents among them. However, there is no pressure for anyone to join in if it is not their cup of tea! They can sit back and enjoy the performances instead.

If your child/ren would like to take part in this experience, please can you email admin@leavening.n-yorks.sch.uk with your child's name and the skill/talent they will be showcasing by **Thursday 26th October**. You will then also need to ensure they have whatever costume/equipment they need to do this in school on **Friday 10th November**. The children will be able to practice their talent each lunchtime from the week beginning **6th November**, so they may bring in their equipment or resources to rehearse with that week.

We regret we won't be opening the audience to our families on this occasion but we will record the performances.

We look forward to you encouraging your little stars to come and show us their talent, however big or small, wacky or ordinary.

Thank you for your continued support of our school.

Kind regards
Sian Mitchell

Leader of Personal Development

Look and learn beyond the classroom | Have high aspirations and fulfil our potential
Care, share and belong | Lead, teach and learn with passion
