Protected Characteristics throughout the PHSE curriculum

The following table highlights how we explicitly teach the nine protected characteristics through the Jigsaw PHSE curriculum. Please note this curriculum delivery is supported by the experiences and opportunities we also offer our pupils at Leavening.

Being married or in a civil partnership	Marriage is no longer restricted to a union between a man and a woman but now includes a marriage between a same-sex couple. Same-sex couples can also have their relationships legally recognised as 'civil partnerships'. Civil partners must not be treated less favourably than married couples (except where permitted by the Equality Act). In the non-work context, protection against maternity discrimination is for 26 weeks after giving birth, and this includes treating a woman unfavourably because she is breastfeeding.
