## Autumn 2 'What a Performance!'

Select from the following learning activities. Use the attached Geography and Science Knowledge Organisers to support you with these tasks:

- Geography Make a 'tourist brochure' for one of the Asian, African or European countries. What are the landmarks that make this country special? What is the food like? The weather is it a hot or cold country? Try to tempt us to visit! Include pictures or drawings alongside your writing!
- Choose a country of the United Kingdom, research it and write a fact file about the 'human' and 'physical' features that make it unique.

Science - Can you make a waterproof hat for a teddy bear? Try using different materials and see which one keeps out the water! Teddy likes to keep his fur dry! We shall be testing the hats in our classroom to make sure our teddy is happy. Don't let him down!

Please bring your homework into class to share with us during the week commencing  $11^{th}$  December- we look forward to seeing it!
