8th January 2024

Inspire/Aspire Week

As part of our planned Personal Development curriculum this half term, we are holding an inspire/aspire week during the **5th – 8th February 2024**. During this week we would like to warmly invite parents and family members to share with our children the jobs they do or interesting hobbies that they have with our classes **in person or via a pre-recorded video**.

We know that we have a wide range of skills and talents among our lovely parents and families here at Leavening and we want to inspire the pupils to have high aspirations and dreams that they follow. Wouldn't it be fabulous if we could bring the community in to our school and hopefully inspire some young minds? If you think you would like to connect with our pupils and share what you do, even just for 10 minutes, please could you complete the form below:

<https://forms.gle/w1XAMqAkdsA2uBjPA>

We would love to see as many of you authors, copy writers, electricians, farmers, equestrians, cooks and bakers, business owners, scientists, cleaners, hospitality workers, househusbands/wives, trades people, barristers, nurses, doctors, etc. as possible.

The pupils will get so much out of listening to you share the highs of your jobs/hobbies. You can spend as little or as long as you like and suggest the preferred age you would like to share this with. We would timetable it on a flexible basis, fitting around you at any point in the school day. We have carried out similar events in years of past (in person) and it was hugely successful. Please don't be shy...come and show off your talents and brace yourself for the weird and wonderful questions that only children can ask! 😊

Thank you in anticipation (once again)
Mrs Mitchell
