Dear Parents / Carers

I'm writing to inform you that Oak Trees class will be taking part in the **Key Stage 2 Young Leaders Award** this year. We're really excited to be involved in this programme. For more information visit www.abyyt.com.

The Young Leaders Award aims to equip young people to '*be the change they want to see*' in their local communities, and through a number of interactive lessons and practical challenges our pupils will be involved in serving their community and making a difference.

We will be starting the programme on **Friday 19th January 2024** and look forward to all that our pupils will learn and achieve. There may be opportunities for parents and family members to get involved in the **community action projects** that will take place later in the year, and we will be in touch with more details nearer the time. **Pupils will also take part in small challenges at home to help their family or neighbours. We ask that you ensure that you provide any relevant supervision for these challenges.**

At the end of the award each student will receive a certificate and we will host an awards ceremony. More details about this will follow.

Thank you in anticipation for your support with this exciting project.

Yours sincerely

Mrs Mitchell
