Conkers Class (Reception) Homework Activities

Spring 2 'A Country Life'

Select from the following learning activities:

- In **R**.**E** we are learning about special / sacred times with a focus on Christianity and Judaism. Can the children make a greetings card for a celebration of their choice, religious or secular? Talk to your child about how this time is celebrated; what do people do/ wear / eat during this time or festival?
- In Art we are making beautiful collages, with a particular focus on the artist Megan Coyle. Could the children could have a go at making a collage of a lovely local scene in keeping with our theme of 'A Country Life', using as many interesting materials as possible....

Our 'Drawing Club sessions are still going strong in Reception. Could you read a book with your child and then encourage them to draw the main character and write 'codes' (both word and number) to give the character special powers? If you could transcribe this for your child and attach it to their work, this would be fantastic. You will be amazed at the imagination of your child! The wackier the ideas, the better!

We look forward to seeing all of your efforts in the week beginning Monday 18th March!
