🎵 texture 🎵 call and response 🎵 rhythm 🎵 repetition
 🎵 bells 🎵 djembe 🎵 marimba 🎵 polyrhythm

Music we will perform:

Hello to all the Children of the World

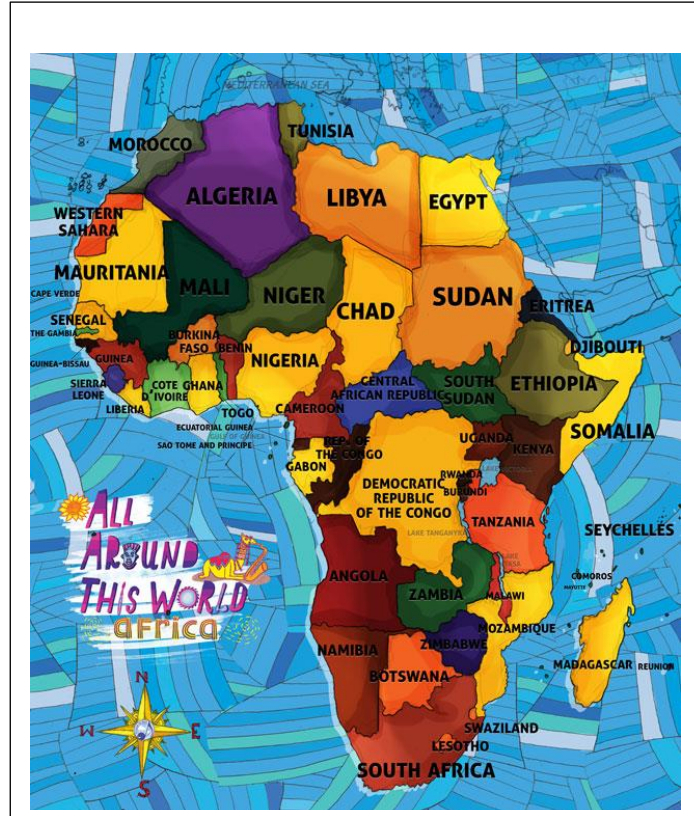

Kye Kye Kule - Ghana, West Africa

Fun funga Alafia - Nigeria, West Africa

Sansa Kroma - Ghana, West Africa

Jambo Bwana - Kenya, East Africa

Hatsiatsia - traditional music from Ghana, West Africa

African music is very traditional. Music and dance are part of African culture.

African music is often not written down it is taught to the next generation through performance and participation.

At an African music concert the audience will join in by **clapping, singing** or **playing** an instrument, rather than just sitting and listening to the music quietly.

African music is polyrhythmic and often uses a call and response texture.

African music is repetitive.

Djembe

Gonkogui

Talking Drum

Shekere
