## **Welcome letter from Mrs Mitchell (starting reception Sept 2024)**

Dear Parents and Carers,

I am writing to say how pleased I am that your child has been offered a place here at Leavening Community Primary School, starting in the academic year 2024/25. On behalf of the Staff, Governors, children and parents, it gives me great pleasure to welcome you and your family to our school community.

I would like to take this opportunity to invite you to a parents' information session on **Tuesday 11<sup>th</sup> June at 3.30pm** to welcome you to Leavening and share details about our school. It will also give you the opportunity to ask any questions regarding your child starting school. Please note we are unable to offer childcare facilities at this meeting but you are welcome to bring your child along of course.

Please email admin@leavening.n-yorks.sch.uk by Monday 20<sup>th</sup> May 2024 to advise whether you are able to attend.

During the Summer Term we have a series of transition sessions for children, in order to ensure a happy and smooth transition into Reception and for children to familiarise themselves with the adults who will be working with them. This will take place from Monday 8<sup>th</sup> July to Thursday 11<sup>th</sup> July and we would encourage the children to attend each day, for the whole day. Please liaise with the school office if this is not possible.

It is important to note, for those children currently at our nursery, there are regular opportunities for the children to visit conkers classroom and the children are already familiar with the adults and setting. This is a lovely advantage of our small school family and the opportunities we provide to ensure the nursery pupils are fully integrated into school life. We do still encourage these children to take part in the full transition week however, as it enables them to spend time with the other children who will form Conkers Class in the new school year.

To support new children and families, there is a section on our website with information that you may need and you can access this here:

I look forward to welcoming you and your child into our school family.

Kind regards  
Mrs Mitchell
