Summer 1 Term

Hello everyone

The sun has finally come out to say hello(briefly) and this has been a welcome treat for the children, who have been working immensely hard over the last few weeks. The Year 6 children have been doing their best this week with their National KS2 tests (SATs) and we are all very proud of their positive attitude and resilience. A hearty breakfast and a chilled out chat each morning at breakfast club is ensuring they have been raring to go!

This week is mental health awareness week and we are marking this with our PHSE learning about positive relationships, being kind and empathetic. We are very fortunate to have an accredited relaxed kids coach on our staff team, our wonderful Mrs Peel, and the children learn about positive mental health all year round in our curriculum, not just during awareness weeks. This week we have taken part in the 'Movement for mood' lesson, encouraging physical activity as a way of boosting happiness and feeling good.

Have a lovely weekend and we look forward to our last week of the half term.

As usual, we have lots going on, both in the curriculum and extra curricular this term so please do take a look at the dates and pop them in your diary.

Best Wishes

Sian Mitchell

School Attendance

06 May 2024 - 10 May 2024

Our school weekly attendance was: 91.88%

This was below the **primary national average of 94.8%**

Attendance **this week** so far: **98.73%**

Attendance **this term** so far: **94.88%**

accounts and clear balances**

Our Safeguarding Team at Leavening CP School:

Our Designated Safeguarding Lead is: **Mrs Mitchell**

Our Deputy Designated Safeguarding Lead is: **Mrs Bennett** | Our Safeguarding Governor is: **Dr Neil Audsley**

A note from the Young Leadership Team...

Hello parents and carers,

We have some really exciting plans for this summer term at school which we would like to share with you. We are extremely pleased to tell you about our brand-new school allotment! We have been up to visit it and have been busy planning and getting our pumpkin, bean and sweetcorn seedlings ready in order to plant them out after half term. We are also launching the return of 'Freeze-pop Fridays' where we will be selling ice pops after school for 50p each. The first 'Freeze-pop Friday' will be on Friday 7th June (the first Friday back after half term.) All the money raised will go towards our upcoming allotment project and new playground equipment.

Finally, we have also been very busy delivering our safety assemblies. Last week we spoke to all the children and adults about the importance of being safe in the sun and next half term we will be taking part in water safety day.

Thank you for your continued help and support,
The Young Leadership Team.
(Nathan, Bella, Jenny, Everlie, Roxie, Isaac and Winter.)

Recent highlights from Acorns Nursery

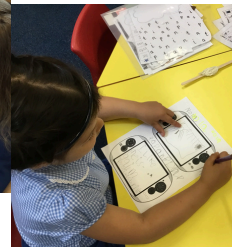

Acorns loved spending time at one of the local farms this week, bottle feeding three of the lambs, seeing the cows and their calves and running wild over the bales.

Thank you so much Kate for the opportunity and our very own Isla showing us around her family farm!

Recent highlights from Conkers Class

This week the Conkers have enjoyed a sunny day of PE on the field! We are learning to play rounders and definitely have some sporting superstars in our midst! The Conkers are also focusing on writing instructions this week. We have decided to create our own video games and will write our own instructions to support our creations! It's wonderful to see, as we approach the transitional time of year, that many of the Reception children are choosing to join the older children in their endeavours and are producing some beautiful work as a result! Well done, children!

SCHOOL REMINDERS

Please ensure your child comes to school with a **sun hat, cream and water bottle every day.**

Conkers children: Please return all reading books after one week. We have recently had to order many more books at great expense, to cover our losses and ensure that we have sufficient copies for future groups of children.

May we also kindly request that children **refrain from bringing toys / items in from home.** These are proving very distracting during lesson time and can be the cause of great upset when relegated to the 'home box'. Thank you for your co-operation!

1st to 31st May 2024 Family Brick Challenge

See who can build the widest brick bridge that can hold a toy car, in 15 minutes. Have fun together!

To enter, post a photo of your family creations, together with the width of the bridges. Email your photos, together with an adult's name, date of birth and postcode to:
MultiplyTeam@northyorks.gov.uk
