Dear Parents/Carers

Re: WOPPS Concert- 3<sup>rd</sup> July

Oak Trees have spent much time and enthusiasm working with Mr Alder on Wednesday afternoons learning a variety of instruments - saxophone, clarinet, trumpet and trombone. They have developed their skills not only playing the instruments but also performing together as an ensemble.

We are very proud of what they have achieved and would like to invite you to celebrate this with us and your children by attending a concert in the school hall on Wednesday 3<sup>rd</sup> July at 1.45pm where they will perform a selection of pieces led by Mr Alder. It would be great if you would show your support and encouragement to this event.

Please note; this will be the last session. Children will leave their instrument in school following the concert.

Finally may we please draw your attention to the accompanying letter from Mrs Stockill regarding the continuation of these lessons in a smaller group at a competitive rate. Please email the office with your interest stating the first and second choice of instrument that your child may like to learn and then we can see whether this is a viable offer.

Yours sincerely

Sian Mitchell
