Wrap-around care

Dear Parents and Carers,

Following our recent consultation regarding wrap-around care, I am writing to inform you of the changes to our breakfast and after-school club provision; **with effect from September 2024.**

Having taken onboard the views from parents and carers, we are delighted to be able to offer extended hours, to help suit the needs of our families as per below:

Breakfast Club

Monday-Friday:

7.30am-8.45am : £4 per child.

Breakfast Club will run **every day** in term time from **7.30am until 8.45am**. Children can enjoy a delicious breakfast (cereal, toast or fruit) before embarking upon their school day. Regardless of whether the children choose to eat breakfast or come for the full hour, the £4 charge is a flat rate.

After-School Club

Monday-Thursday:

- 3.15pm until 4.15pm : £3.50 per child
- 3.15pm until 5pm : £5.50 per child
- 3.15pm until 5.45pm : £7 per child

Fridays: *Please note the latest time for collection on Fridays is 5pm.*

- 3.15pm until 4.15pm : £3.50 per child
- 3.15pm until 5pm : £5.50 per child

After-school club also includes a snack and a drink.

I hope you can appreciate that we have kept these costs at a competitive rate and school do not make any profit on this provision. We will review the viability of this extended provision again in the Autumn 2 term, based on patterns of attendance.

Kind regards,

Sian Mitchell
