

Welcome to Conkers Class!

Dear parents and carers,

Welcome back to the new school year! We hope that you have all enjoyed a wonderful summer holiday! We are raring to go and cannot wait to establish our new class of Conkers! Starting school again in September is a big transition for all young children. Please rest assured that we are aware of this fact and endeavour to start the year slowly and carefully, with lots of fun and engaging activities planned for your children! Our whole school topic this half term is 'Star Gazers' - we will be learning all about the great beyond, the first moon landing and dreaming of places unseen! Please see the curriculum breakdown for more detailed information about what your child will be learning this half term. If you do have any questions regarding the information in this newsletter, or other more general queries, please don't hesitate to talk to us - our door is always open! Your child's happiness and welfare is paramount to us - we are a small, nurturing class and pride ourselves on our familial feel - please don't be a stranger!

Kind regards,

Mrs Bennett & Mr Mortimer

Junk Modelling Resources

Conkers love being creative and making things with recycled materials, so we are continuously needing to replenish the resources. If you ever have any interesting boxes, cardboard tubes (not toilet rolls please!), bottle tops etc, please consider offloading them to us!

Please don't forget (every day)!

- A water bottle
- A coat

Reception parents please look out for a specific welcome letter, becoming a 'Conker'!

On a Tuesday, PE will be held on a Tuesday - children may come to school in P.E kit and trainers. On a Friday, children will take part in 'Forest Schools' and change into. Thank you!
