Reading at Leavening

Dear Parents and Carers

Do you want to find out more about how we teach your child to read in the EYFS and then how we teach them fluency and comprehension throughout KS1 and KS2?

Do you want the opportunity to ask questions on how to better support your child at home and advance their reading skills?

Then please do come along to our "Reading for all" session here at school on Tuesday 24th September at 3.20pm straight after picking up. Children are welcome too.

There will be two sessions. One held in Conkers class for parents of reception- Year 2 children and the other hand in Oak Trees class for parents of children in year 3-6. If you have children in both classes, choose one and we will provide you information from the other.

The sessions will be informal but informative and practical and you will come away with increased confidence with knowledge of our reading curriculum.

Please do support these events that our teachers work hard to put on for you.

If you would like to attend please let the school office know.

Kind regards

Sian Mitchell
Headteacher
