Select from the following learning activities (these are optional - only if your child wishes to! The main 'learning at home' activity that we recommend is reading at home with your child three times per week - when they bring their first reading book home! Thankyou!)

- Can you use recycled materials (like cereal boxes, bottle caps, and toilet rolls) to make a messy monster? Take a picture and bring it to school.
- Use leaves, stones, or other natural resources to create a picture of anything you'd like. Take a photo and share it!
