What is timbre?

Timbre is the word we use to describe the particular sound quality of a musical instrument.

A trumpet has a very different **timbre** to a violin. Your voice will have a different **timbre** to a flute.

Words you can use to describe **timbre** might include...

Dynamics

Quiet

Loud

bright **thick**
brassy **piercing** **dark**
breathy
shrill **buzzy**

Structure

How music is organised

Structure is the order of sections within a piece of music.
