18 June 2025

Dear Parents and Carers

I hope this letter finds you and your families well as we approach the end of another successful academic year. As we begin to look ahead to the 2025-2026 school year, I wanted to share with you our School Development Plan priorities to ensure you remain informed and engaged in your child's educational journey.

Our development planning process involves careful consideration of our pupils' needs, current achievements, and areas where we can continue to enhance the quality of education we provide. The priorities we have identified for the coming year reflect our commitment to maintaining high standards whilst addressing key areas for improvement.

Please find attached a document outlining our priorities. Throughout the implementation of these, we will continue to monitor progress carefully and keep you informed of developments. Your support and involvement remain crucial to our success, and we welcome any questions or suggestions you may have.

Thank you for your continued partnership in your child's education. We look forward to working together to make the 2025-2026 academic year another successful one for all our pupils.

Yours sincerely,  
Sian Mitchell
