Inspire/Aspire Fortnight: 12th Jan - 23rd Jan 2026

As part of our planned Personal Development curriculum, we are holding our annual Inspire/Aspire fortnight between 12th – 23rd January 2026. During this time, we would like to warmly invite parents and family members to share with our children the jobs they do or interesting hobbies that they have with our classes in person or via a pre-recorded video.

We know that we have a wide range of skills and talents among our lovely parents/carers and families here at Leavening and we want to inspire the pupils to have high aspirations and dreams that they follow. Wouldn't it be fabulous if we could bring the community in to our school and hopefully inspire some young minds? If you think you would like to connect with our pupils and share what you do, please complete the form below.

We would love to see as many of you authors, copy writers, electricians, farmers, equestrians, cooks and bakers, business owners, scientists, cleaners, hospitality workers, househusbands/wives, trades people, barristers, nurses, doctors, etc. as possible.

The pupils will get so much out of listening to you share the highs of your jobs/hobbies. We have carried out similar events in past years which have always proved hugely successful. **Please don't be shy! Come and show off your talents and brace yourself for the weird and wonderful questions that only children can ask!**

The deadline to submit the form is **Monday 15th December 2025**, so we can organise a timetable for the visits and allow planning time for staff.

Thank you in anticipation.
