15th December 2025

Dear Parents and Carers

As part of our Spring term whole-school topic “Memory Box”, we would love to invite all children across the year groups to contribute to a very special project.

In the first week back after Christmas, children are welcome to bring in an object or photograph (more than one if they wish!) that links to their own history or their family’s history. This might be a treasured keepsake, a favourite childhood toy, a holiday souvenir, a family photograph, or anything that helps tell their story.

If possible, please could your child bring a short note explaining the significance of their item? Just a sentence or two is plenty—this will help us share and celebrate each memory as part of our display.

Our esteemed historical lead, Mrs Bennett will be curating our very own Leavening School 'Museum of Memories' on Thursday 8th January for our topic 'lauch day'. The collection will be on show for all children to explore, and we would be delighted to open it up for parents and carers to enjoy with us from 2.30pm before pick-up.

Thank you so much for supporting us. We can’t wait to see the precious memories the children choose to share!

Kind regards,
Mrs Bennett.
