Spring 1 Term

Hello everyone

It has been another wonderfully busy and inspiring fortnight at Leavening, and I am incredibly proud of everything our children and staff have achieved.

One of the absolute highlights has been our visit to Young Voices. This is always such a special experience for our pupils, performing as part of something so big, building confidence, teamwork and a real love of music.

I would like to extend a huge thank you to all of the staff who supported the visit, and particularly to Mrs Stockill for the time, care and dedication she puts into preparing the children. Opportunities like this really do create memories that last a lifetime.

We have also celebrated sporting success with our Year 3 and 4 dodgeball team, who represented the school brilliantly at their recent tournament, winning 5 out of 8 games. We are so proud of their teamwork, resilience and sportsmanship, they were fantastic ambassadors for our school.

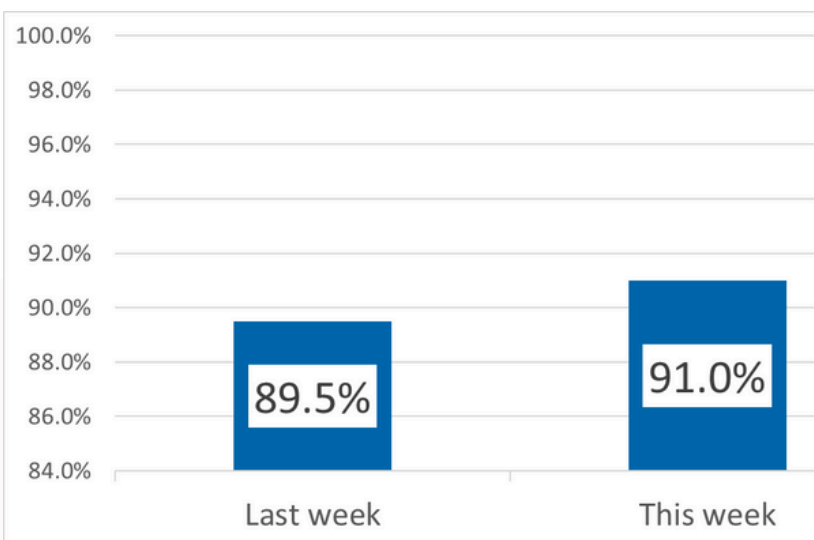

As we move into the final week of half term, we are really looking forward to a number of special events. Our whole school visit will mark the finale of our Memory Box topic, bringing together the learning, reflection and shared experiences the children have explored. Alongside this, we will be embracing Children's Mental Health Week, with lots of learning and activities to support wellbeing across the school. We are also excited for the Big Sing at Malton School for Oak Trees — another wonderful opportunity for our children to shine.

Finally, we will be saying goodbye to Chris Peel at the end of this half term. Chris has given so much to our school community, and we are incredibly grateful for everything she has done for our children, families and staff.

I know you will join me in wishing her every success and happiness in her next chapter. Thank you, as always, for your continued support

With my best wishes. Mrs Mitchell

MORSE CODE AND COMMUNICATIONS WORKSHOP IN OAK TREES CLASS

We would like to say a big thank you to Ken for running a fantastic workshop on Morse code and code-breaking skills. The session was extremely interesting, and the children thoroughly enjoyed taking part. They were especially fascinated by the spy briefcase filled with secret communications, similar to those used during the war. Thank you again to Ken for giving his time and sharing such a memorable experience with the pupils.

Year 3 and 4 Dodgeball Tournament

Year 3 and 4 participated in the dodgeball tournament at Malton Sports Centre on Wednesday 28th January.

They showed excellent teamwork and sportsmanship throughout the event and performed very well. Isaac and Merry even managed to catch some opposing players out! Well done to everyone involved and a huge thank you to our volunteer drivers who helped on the day.

Leavening School came a very respectable 3rd place overall!

Other School Information, Reminders & Events

World Book Day - Thursday 5th March

We are excited to be celebrating World Book Day with a day of activities designed to inspire a love of reading across our school.

At Leavening, we believe reading opens doors to imagination, learning and opportunity — and we are looking forward to celebrating this together as a community.

Children are invited to come to school in **comfy clothes or pyjamas** to reinforce the idea that reading is relaxing, enjoyable and something to treasure. They are welcome to bring **their favourite book** and a favourite **book belonging to a parent, carer or family member**.

We will also be running a Book Swap, where children can bring in old books they are happy to swap.

EYFS 'Stay and Read' Session – Nursery & Reception Families

To support our drive to build strong reading communities in EYFS, we are inviting Nursery and Reception parents/carers to a 'Stay and Read' session at the start of the school day on Thursday 5th March.

This will give families the chance to read with their child and see how we support early reading

If you would like to attend, please email the school to sign up.

Please bring books in for the Swap Shop on Monday 2nd March

The Book Swap itself will take place at school on World Book Day on the Thursday.

Children will **choose a new book to keep and take home**

This is a lovely way to recycle books and help children discover something new to enjoy.

Thank you for supporting our commitment to reading and helping us inspire children to become lifelong readers. Together, we can build a strong reading culture in our school — Together We Can.

Non Uniform/FOLS Chocolate Bingo Event: Thursday 19th March **3.30pm-5.30pm Eyes down at 4pm! | Adult: £5/each Child: £3/each.**

Tickets will be on sale from the office soon!

This year, the event will take place soon after school, so families are welcome to stay after pick-up. We will be running a **'donation bar' (available from 3.30pm)** with **various refreshments and snacks** on offer, in return for donations.

Please can we ask children to each bring in a **chocolate donation** (which will be the prizes for the bingo) in exchange for **non uniform day on the same day** as this event (19/03/26).

Comic Relief: Friday 20th March

We are asking children to come to school **'red to toe' (dressed in red or home clothes)**.

If you would like to support, please make a donation via **your child's ParentPay account**.

Thank you in advance for your support 😊

Young Voices Concert

Oak Trees class had a fantastic time at the Young Voices concert at Sheffield Arena on 30th January. A huge thank you to Mrs Stockill for organising the event, as well as to Miss Templeman, Miss Mitchelmore and Mrs Peel for their accompanying support on the day. Everyone had a wonderful and very memorable evening, as always.

We are already looking forward to the next one!

What some Year 5 and 6 pupils had to say:

"It was a very inclusive show where both adults and children had lots of fun. There was so much positive energy, with a wide range of people taking part. Urban Strides, the dance act, performed a brilliant routine, and the solo singers were really impressive.

It was such an enjoyable experience. The lights were beautiful. We had the best night ever!"

Donation Plea!

★ **We Would Love Your Donations!** ★

Mrs Raines is giving the Conkers home corner a fantastic makeover to make it even more fun and engaging for the children. Any indoor plants will also be used in Nursery and across school, so everyone can enjoy them!

In addition, Miss Templeman is also in need of various Forest School items for Oak Trees class.

HERE'S WHAT WE'RE HOPING FOR:

- dolls wooden highchair
- fascinators
- dress hats
- ties & bow ties
- beaded jewellery (preferably on elastic)
- hair bands
- glasses (reading or sunglasses- lenses will be taken out)
- hairbrushes

RECENT HIGHLIGHTS FROM OAK TREES

Daffodil Dissection

"We took a daffodil and carefully split it into its main parts. There were the petals, the stigma, the stamen, and several other parts.

We laid everything out on a paper towel, and some of us labelled them.

It was really interesting and fun to learn about plants. One of the coolest things was seeing tiny water bubbles of different sizes inside the stem when we split it in half.

Everyone in the class enjoyed the lesson because we could explore at our own pace and ask lots of questions. We are really looking forward to doing something like this again soon!"

-Merry (Year 4)

Dear Parents/Carers,

We have introduced a program to all year groups at school called myHappyMind. myHappyMind is all based around helping children to understand how their brain works and to support them in developing positive skills and habits to be their very best selves!

myHappyMind is delivered in schools by class teachers through a series of interactive lessons and then the children apply these learnings throughout the day.

To further embed this learning, myHappyMind has developed a Parent App. These resources can be accessed online on your computer, or through an app on your phone. The Parent App will support you as a parent in understanding what your child is learning, activities for you to do together at home and also a Kids Zone featuring myHappyMind Games plus much more!

To access these materials just go to

<https://myhappymind.org/parent-resources> to create your free account. You will need to enter your name, email, and authentication code. Your authentication code is 121453

Replace the X's with your school's 6-digit URN Or simply scan this QR code to sign up Once you have created your account, you will receive an email with the next steps on downloading the app. We really encourage you to make use of this free content so that you can support your child in getting the best out of the curriculum.

There is a really useful video to watch that will give you more information- follow this link
